**Subject:** still OK for Tuesday morning?

Hi Ana and Damon.

So the shutdown is over and I just got released from jury duty, so although it may need to be a bit more informal than originally planned, I'd like to go forward with the Urban Waters Passaic River kick-off on Tuesday. I had set the time for 9:30-11:30 here in the EPA office. If this no longer works for the 2 of you, please let me know and I will move to reschedule the meeting. Otherwise, please confirm that you'll be able to be there asap and I'll get a final invite reminder out to the attendees.

Thanks!

Elizabeth
